Memorial Day "Buddy Poppy"

As part of our Memorial Day Celebration, each of our students are given a "Buddy Poppy" to wear for the day and to take home. These artificial poppies have been a symbol of fallen and wounded veterans since World War II. They are traditionally sold on street corners by veterans, and donations received in return for these artificial poppies have, over the years, helped countless veterans, widows, widowers and orphans of fallen soldiers. The poppy itself continues to serve as a perpetual tribute to those who have given their lives for our nation's freedom.

We encourage each of our students to find a way to contribute to this fund this year. An envelope will be attached to the student's learning plan to be returned with any donations you would like to make. Our school will be accepting donations for our veterans until June 1st. Please use the envelope stapled to your student's learning plan, or extras are available in the office. The envelopes can be turned in to your student's teacher or the main office. Your donation will be greatly appreciated.

Changes Coming to West Valley One

This upcoming 2018-2019 school year will be our last year as a K-9 campus. The following 2019-2020 school year, the 7th-9th grade students will be transitioning into the West Valley 2 campus and our West Valley 1 campus will become a "three round" K-6 campus with 3 classrooms of each grade. We are anticipating the positive things that this shift will bring for our students, but we will treasure this upcoming school year as a K-9 school as we celebrate our 10th year of being this amazing American Prep campus we call APA West Valley One! More details about this change will be shared as they become available and we will look forward to discussing it at our "Back to School" Nights in August.

YEARBOOKS - We have a limited number of extra yearbooks available for purchase in the front office. \$25 each

Mandatory Survey:

Each family **MUST** complete this survey! It is a great way for you to help us understand what you think about the school. This information is very valuable to our staff and we cannot emphasize enough how much we appreciate you returning them in a timely manner. Every year, when you sign your Acceptance of Policy, you agree to participate in this survey process. Thanks!

Our Staff is the Greatest!

We all know that American Prep's greatest asset is our teachers. We want to attract the best and keep the best! For that reason, Friends of APA has created a unique way to say "thank you" by forming the Builders Club. The Builders Club is a program that provides bonuses and staff compensation for our teachers. ***We invite all our parents to become members of the Builders Club by making monthly donations for each student that attends APA.***

We want to reward our teachers so we can retain them and provide an excellent education for our students well into the future.

To join the Builders Club, go to <https://www.americanprepfoundation.org/apa-builders-club> and complete the form. If you prefer to donate in person each month, you can donate at the front office.

School Lunch -

The deadline to order lunches for this year was April 25th. If you did not get online and order your child's lunch, you will need to send your student with a lunch. If you have any concerns or questions, please contact Kristine Stevens at kstevens@apamail.org or 801-839-3613.

In a show of appreciation for all your time, we held a raffle and gave away several items that were donated from our Comcast Cares Day, shovels, gloves, garden tools, etc. The grand prize was a Samsung television. This was announced at our Lights Off Event. The winner of the television is Hilda Ramirez. Congratulations to her, and once again THANK YOU FOR ALL YOU DO!

AMBASSADORS

9th Grade Make a Difference Day

Our 9th grade students participated in Make a Difference Day. They visited Headstart schools to volunteer and serve at-risk students who come from families below the poverty level. Our 9th grade curriculum is geared towards peer mentorship, so our 9th grade got to be mentors to the students as they did crafts with them, read to them, and played games.
