### ***March Builder Theme:***

***I am a builder when I quickly acknowledge mistakes and humbly make amends***

This month, the students have been learning about the importance of admitting when they have made a mistake and trying hard to make things right. This link will take you to the lunch-time video that introduced the students to this month’s Builder theme:

## **MARCH MADNESS—The BIG THREE Things You Need to Do!**

Parents—there are 3 important things that you need to do this month!

- 1. ANNUAL PARENT SURVEY.*** Every family is asked to complete the annual parent survey. Your anonymous feedback is valued and needed and is used as we prepare our school improvement plans for the upcoming school year. ***You should have received an email on March 19 with the link and your family number. This needs to be completed by April 2<sup>nd</sup>.*** We are aiming to be the campus with the highest participation rate this year! Help us meet that goal!
- 2. “CELEBRATION OF EXCELLENCE” MEETING.*** This annual meeting for all parents will be done in video form this year. Please watch for a link to be sent out on Thursday, March 26. Re-enrollment information will be provided at the end of the video.
- 3. RE-ENROLLMENT FOR 2021-2022 SCHOOL YEAR.*** Once you have watched the “Celebration of Excellence” video, you are ready to complete your re-enrollment for next school year on Skyward. This will need to be completed by Friday, April 9 as we will begin filling our open seats with new students after that date.

## **Parent-Teacher Conferences—April 15 & 16**

Our spring parent-teacher conferences are scheduled for April 15 & 16. Before the break, the homeroom teachers will send out a link to sign up for a conference time. Please be sure to do this! These conferences are mandatory ones and parents will meet with each of their children’s homeroom teachers.

## **Congratulations to these STAND OUT students!**

It has been an exciting month for APA-West Valley 1 students! Saturday, March 20 was the Northern Utah Regional Spelling Bee and West Valley 1 was represented by SUPER SPELLERS: 5<sup>th</sup> grader, **Nur Azametli** and 4<sup>th</sup> grader, **Ian Perez**. It was an experience they were excited to be part of and both said they will be preparing to have that opportunity again next year.

The awards have been announced for the University of Utah Science & Engineering Fair that happened earlier this month. Sixth grader **Isabelle Griggs**’ placed 3<sup>rd</sup> with her project in the elementary Mechanical & Materials Engineering division and sixth grader **William Rollins** took 3<sup>rd</sup> place in the elementary Earth & Environmental Science division! WAY TO GO STUDENTS!

## **Yearbooks On Sale Through March 31**

Don't miss out on this year's absolutely memorable yearbook! **It is on sale for \$20 through March 31.** Price will be \$25 after that date (limited copies available.) You can order your yearbook at this website: [www.purchaseyearbook.com](http://www.purchaseyearbook.com) The school code is: APAWV1YB2021 . You can also scan the QR code to get to the website. If you need assistance or alternate payment options, please contact the front office staff.

## **Builders of the Year Assembly-April 2**

Each month, a student from each class is nominated by their teacher as a Builder of the Month, being an excellent example of the Builder theme for the month. Once a year, one student from each grade is selected as the Builder of the Year, a once-in-a-lifetime award. We are looking forward to this--our first live assembly together as a student body this year--on Friday, April 2. Because this is an extra special event, we are asking students to wear their full M-Th uniform on this day.

## **Need ALMA Grading Program Help?**

Are you checking your student's grades weekly? Please call or email Mrs. Melanie Ferlo ([mferlo@apamail.org](mailto:mferlo@apamail.org)) or Ms. Brenna Wiscombe ([bwiscombe@apamail.org](mailto:bwiscombe@apamail.org)) in the Academic Office if you need help with the ALMA grading program.
